

AFRICAN PEOPLE'S SOLIDARITY DAY

*Solidarity with the worldwide
movement for African liberation*

Dear Friend:

I am participating in the 2007 African People's Solidarity Day campaign and I am requesting your support in this effort. African People's Solidarity Day (APSD) is a series of events across the country this October, which will be a tribute from the white community to the struggle for justice, liberation, reparations, and unity for African people everywhere. I invite you to sponsor me in the pledge drive to raise funds for APSD.

APSD is a fundraiser for the political and economic development projects of the Uhuru Movement, including African development and empowerment programs coordinated by African people themselves – not charity. The enclosed brochure tells you more about the specific projects that APSD supports.

We would like to thank those who contributed generously last year, pushing these programs forward. We hope you can contribute to building an even more powerful and successful campaign for 2007.

It's exciting to witness significant African leaders in the struggle for the liberation and unification of Africa and African people from around the world come together for these events in St. Petersburg FL, Oakland CA and Philadelphia PA. It's an important opportunity for the white community to learn from these leaders, because only African working class people themselves can identify the causes, symptoms, and solutions for the problems faced by African people worldwide.

I want to reiterate that APSD 2007 is not a charity campaign. This is real solidarity, an opportunity for us to support the growing movement of African people struggling to transform their conditions and regain control over their stolen land and resources.

I encourage you to support this vital campaign to empower African people to create a viable future for themselves and their children – the only viable future for us all. Please sponsor me by making as generous a pledge as you can. The suggested donation is \$100 - \$500.

You can contact me if you have any questions. You can donate online at www.apscuhuru.org, or make checks payable to "Uhuru" and mail to my address: _____.
And if you'd like to get on our contact list for updates on the APSD campaign and work of the Uhuru Movement, please complete and return the coupon on the enclosed brochure. Thank you for your continued support!

Sincerely,

2007
