

BEYOND OBAMA: Seeking real solutions to the growing racial divide in the U.S.

**Stop the U.S. war against
the African community
right here!**

Black people in the U.S. face:

- daily police brutality & murders;
1 million Stop & Frisks in NY, LA
and Philly alone in 2009
- mass imprisonment
- 50% unemployment
- 10¢ for every dollar white
households have

White people take the stand!

Join others like yourself
in solidarity with the
movement for justice &
reparations for African
people.
