The Uhuru Movement leads the way on every front!

Forty years of leadership and vision for the liberation of African and all oppressed peoples, building programs & strategies for real change!

One Africa! One Nation!

The African Socialist International (ASI) is the organization uniting African people worldwide to liberate Africa and African people. The vision of the ASI is of one united Africa without the divisions set up by colonial powers, with the commitment that Africa's resources belong to African working people. The ASI has members throughout Africa, the Americas and Europe.

Uhuru Solidarity Movement

Uhuru Solidarity Movement (USM) is the organization of white people working under the African-led Uhuru Movement. We are building a movement of reparations from the white community in solidarity with the right of African people to self-determination and control over all their resources. We stand against the U.S. war on the African community and for African people's right to resist.
